Report of the Webinar Conducted in Association with ISDC

The department of commerce organized a webinar on 16-12-2020 with an aim of introducing ACCA embedded B.Com in association with ISDC (International Skill Development Corporation) for UG students in the department. The webinar aimed at giving an introduction to ACCA as the majority of the students were not familiar with the ACCA course, its structure, scope, etc.

The webinar began at 05:00 PM with a welcome speech by Mr. Centil Abraham K. in-charge of B.Com Computer Applications. The college Principal Fr. Dr. Francis Karackat, inaugurated the webinar followed by his motivational speech. He gave a brief introduction to the course covering all the possible job opportunities, career growth, etc.

The introduction session was handled by Mr. Shone Babu (Senior Manager, Strategic Relations International Skill Development Corporation). He explained the structure and the duration of the course, subjects at each stage, exemption papers to B.Com graduates, job opportunities across the country and abroad, training facility available, etc.

The second session was handled by Mr. Jithin K. V. (Regional Manager, ISDC). He explained the fee structure of the course, registration fee, examination fee, and fee exception to students when they do ACCA with ISDC, etc.

The third session was a question and answer session. The students asked many doubts about ACCA, its scope, fee structure, etc. Both Shone Babu and Jithin K. V. cleared all the doubts of students and promised their support in the future also. The session was very productive and very informative. Each and every topic was explained very well.

The webinar ended at 07:30 PM with a vote of thanks by Ms. Stephy Emmanual, Asst. Professor of department of commerce.
