## **A SOLUTION!**

---

*“The hard truth about soft skill is that they can make or break a career.” - Peggy Klaus*

Here is an opportunity for DBCAS to transform your students, instil a sense of focus regarding their placements and career, in turn creating an advantage while facing job interviews and placement related group discussions.

Today it is widely recognized by corporate around the world that, in order to gain a competitive advantage, you need to make sure your students excel in both academic and soft skills which will result in:

- Better campus placement results
- Industry oriented skill sets & knowledge
- Increased brand image and reputation
- Improved student and parent satisfaction
- Better student performance
- Enhanced teaching effectiveness
- Improved management/staff and student relations

*Behavioural standard and higher campus placement result is what elevates your college from the cookie-cutter look alike.*

In today's competitive environment, where parents and students are demanding more, instilling a sense of awareness and transforming the soft skills and professional traits among your students is something you simply can't survive without.
