Webinar on-

Programming Skills required for Academic Projects and Job Interviews

A webinar about "Programming Skills required for Academic Projects and Job Interviews" was conducted by Department of BCA of Don Bosco Arts and Sciences College Angadikadavu in coordination with **IPSR Solutions** for BCA final year students on 10 September 2020 from 10 AM to 12 PM. It was conducted to create awareness about skills for practical IT based works like projects and even jobs.

Webinar was conducted by Ms.Sindhu P.M(HoD Department of BCA) over 29 students and Ms.Vineetha Mathew (teacher in charge) actively participated. Session was handled by Ms. Deepa Sreekumar. She gave information about the IT field jobs, the skills that each one needs for that. At the end she explained, how will they assist in case of projects.

The webinar organized has helped the students to understand the skills that an IT student should develop for a better course. In short it was very helpful; students got basic idea about the IT field jobs and their project.
