WEBINAR ON SOFTWARE DEVELOPMENT

A webinar about' Software Development' was conducted by Department of Computer Application, Don Bosco Arts and Science College, Angadikadavu in coordination with **Riss Technologies** for BCA final year students on 10 September 2020 from 10:30 AM to 12 noon. The webinar was held to create awareness among students about project and different stages involved in software development process and thus to give a basic outline on how to do projects.

The webinar was coordinated by Mrs.Sindhu PM, HoD,Department of Computer Application, Don Bosco Arts and Science College. Over 29 students and Mrs.Vineetha Mathew, the class incharge had participated in the webinar. The session was started by Mr.Roshin P,Project Coordinator, Riss Technologies by giving a brief description about their company(Riss Technologies).The session was then handled by Mr.Likhil T, Project Manager, Riss Technologies who gave students an idea about project categories, methodology and the steps to be followed in developing a project. At the end they also mentioned, how they will assist the students and provide the required technical support. They also provided opportunity for students to raise and clear their doubts.

The webinar organized had helped students to understand which are the current trending technologies in IT field. In short, the webinar was good and worthful as students got a basic idea about how to get started with their projects and go ahead.
